Read the title to your child. Ask, how many words are in the title?

Say the title and point to each word.

On the first page with text (words) ask how many sentences are on this page?

How many words are in the sentence?

Ask your child to find the word ... (a word that is supported by the picture. Tree for example) Ask how did you know that word was... (refer to how the word looks, beginning sound, etc.)

Say the whole sentence allowing your child to point to the words as you read the text.

Repeat for each page.

Re-read text together. (2nd Read next day)

(3rd /4th day of Reading) Re -read with your child doing the reading.

Please go to school website for video of Reading Lesson demonstration.
