Accessing and Utilising EdStudio

<p>Please select a phase of student site:</p> <p>Early</p> <p>Middle</p> <p>Senior</p>	<p>1. Select your child's phase of learning (either early or middle)</p>
 <p>The screenshot shows a 'Quick Links' section with an 'Access keys' input field containing the text 'Enter access key' and a green arrow button. Below this are 'eSpaces' links for eBooks Digital Library, eLearn, iConnect, and Office 365 webmail. There is also a 'TINK's Place' banner with a robot character and the text 'Tink's Place - games, advice and tips for you.' and a 'welcome' sign.</p>	<p>5. Enter the access key for our school Ed Studio</p> <p style="text-align: center;">S241257472</p>
 <p>The screenshot shows the school's website home page with the title 'Railway Estate State School' and a navigation menu. A central banner reads 'Welcome to Railway Estate State School Continuous Learning Hub' and explains the purpose of the hub as a platform for delivering the Australian Curriculum through daily teaching of lessons, with the added ability to keep parents and students connected with their teacher.</p>	<p>6. You should now be redirected to our EdStudio.</p>
 <p>This is an identical screenshot to the previous one, showing the school's website home page with the title 'Railway Estate State School' and a navigation menu. A central banner reads 'Welcome to Railway Estate State School Continuous Learning Hub' and explains the purpose of the hub as a platform for delivering the Australian Curriculum through daily teaching of lessons, with the added ability to keep parents and students connected with their teacher.</p>	<p>7. Click on your child's class. This will take you either to weekly lessons via drop down boxes or to your child's teachers learning space.</p>
